**'UTTERLY DESPICABLE ATTACK'**

Tonight's attack on bodyguards of DUP politician Nigel Dodds at the RBHSC have been condemned as utterly despicable by Alliance Leader, Lord Alderdice.

Lord Alderdice said:

"Any attack is repugnant, but to even contemplate launching an attack on a father visiting his sick child, is utterly despicable. What respect is one supposed to have for a republican movement which claims mother Ireland, and yet attempts to murder parents visiting a sick child in a hospital?"
