MY Abstract, and an experience of more than twenty years in searching the records of Thurston county in regard to title enables me to give prompt attention in regard to same.

I have a complete and the only abstract of the Records of the Probate Court of said county, prepared during the eight years that I was Judge of said Court. My Abstract, and an experience of more than twenty years in searching the records of Thurston county in regard to title enables me to give prompt attention in regard to same.

I have a complete and the only abstract of the Records of the Probate Court of said county, prepared during the eight years that I was Judge of said Court.

I have the only abstract that was ever at tempted to be made of sales of property for taxes in said county.

I negotiate loans for those wishing to borrow or lend on real estate security. (In the matter of loans, I represent only such local capitalists as are my clients.)

I have for many years represented, and at this time represent, as agent of residents and non-resdents, a large holding of real estate in the city of Olympia, and in Thurston county, for the sale of which negotiations can be made through me.

I also have upon sale, for fixed prices, a large amount of real estate, both city and country, which I am ready to show up en call.

I am ready and equipped by the labor and experience of more than twenty years for the transaction of a general real estate business, in which line I respectfully offer my services to those who desire, either to purchase or sell, to borrow or loan.

To those who think of investing, I have no

To those who think of investing, I have no hesitation in saying that money put into real estate in Olympia and Thurston county at this time would be a good investment.

To those who wish to sell, I have to say that my connections in this line of business will enable me to find purchasers for their property among the many strangers constantly coming and going through the country in search of chances for investment, who would otherwise know nothing of the opportunity.

I have a large amount of city property, both improved and unimproved for sale. Also, some very desirable farms.

THE PRIDE of WOMAN

A clear pearly and transparent skin is always a sign of pure blood, and all persons troubled with dark, greasy, yellow or blotched skin can rest assured that their blood is out of order. A few doses of BEGGS' BLOOD PURIFIER AND BLOOD MAKER will remove the cause and the skin will become clear and transparent. Try it, and if satisfaction is not given it will cost you nothing. It is fully warranted.
