DRAFT LETTER FOR SIGNATURE BY PS/SECRETARY OF STATE TO:

JEN/L/11/66/47909

Roderic Lyne Esq CMG
Private Secretary to the Prime Minister
10 Downing Street

November 1993

JOINT DECLARATION INITIATIVE

I enclose a further version of the draft Joint Statement for the December meeting in Dublin between the Prime Minister and the Taoiseach. This is a version of Annex B to my letter of 12 November which has been revised to reflect the points made at yesterday's Ministerial meeting.

Briefing has been provided separately for today's meeting with Archbishop Eames. If the Prime Minister decides to show the Archbishop the draft Joint Statement, the enclosed version is the one which should be used.

Copies go only to John Sawers and Melanie Leech at this stage, although the enclosure will subsequently be circulated with the paper for next Tuesday's slightly wider Ministerial meeting.
