Thank you for your minute of 23 December about your discussions with Mr. Kelly.

The Prime Minister is content to go along the lines you propose. He has reservations about extending the group beyond Mr. Kelly and Mr. Linn on the Irish side. If it is absolutely necessary to extend the group to include Mr O'Sullivan then the Minister would be reluctantly prepared to do so - but subject to the views of the Northern Ireland Secretary.

I am copying this minute to Mr. Sozney (Foreign and Commonwealth Office) and Mr. Towson (Northern Ireland Office).
